

Covid-19 Suggestions:

Place wipes by the coffee pot.

Eliminate all community food.

Place the contribution basket in a common area.

Create a safety statement.

Look into setting up electronic group contributions.

Please wash your hands frequently and don't touch your face

Safety Statement suggestion:

Our Group seeks to provide a safe meeting place for all attendees and in light the current circumstances will implement several precautionary changes. These are not meant to create controversy and we maintain our freedom from opinion on outside issues. However, it is our priority to create a safe environment and in doing so we ask that you refrain from touching one another, as this may compromise another person's safety. We also ask that you wash your hands before getting coffee and using coffee supplies. If you are sick or show signs of illness, we ask that you come back and join us another night. Sneeze or cough into your upper arm, as respiratory droplets are the leading type of transmission. Thank you for being understanding and we encourage you to take all additional precautions you feel necessary to ensure your own personal safety.
